Internship Details

Duration

6 months

Designation

Financial Market
Intern

Stipend

Rs 40,000/- (Rupees
Forty Thousand only)

Internship Start Date

Jan 2026

Location

Hyderabad

What would the interns be doing

- The internship will provide an opportunity to learn and participate in the world's most active financial derivatives markets. The participants will be trained to use the best in-class technologies to build their understanding of some of the world's most liquid and active futures products. Interns will learn to identify patterns, conduct unique research, and develop and execute new strategies in simulated markets. They will learn to analyse and assimilate financial news and data to determine market sentiments, and learn the basics of technical and fundamental analysis in making decisions.

Recruitment Process

- Candidates will be shortlisted based on an online aptitude test. The successful candidates will undergo a few rounds of interviews after which the final selection would be made.

Evaluation & Certification

- Candidates will receive an internship completion certificate by Futures First. A continuous mentoring, evaluation and feedback mechanism will be in place throughout the duration of the internship.

**Top performing candidates will receive a
Placement Offer in Futures First**
